Choice of Prevention and Wellness Benefits

Sun Grepa OFW Health Protect comes with your choice of preventive health care benefits that can be availed **annually starting on the 2nd year of your policy up to your 6th policy year**. You may **CHOOSE any ONE (1)** of the following benefits below:

- Annual Physical Examination
- Vaccination
 - Flu Vaccination; or
 - Pneumonia Vaccination
- Teleconsultation with a General Practitioner (GP) doctor up to seven (7) teleconsultations per policy year

Note: Benefits indicated in this material are subject to the specific guidelines set by Sun Life Grepa and the actual provisions of the insurance policy contract. The options included under the Prevention and Wellness Benefits are subject to regular review and may change over time depending on the availability of relevant programs, tests, or procedures. Availment benefit should be within the policy when benefit is available. If not availed, within the policy year or as scheduled, this benefit will be forfeited.

The Letter of Authorization (LOA)

Important Notes:

- The Prevention and Wellness Benefits can only be availed by the Life Insured.
- A Letter of Authorization (LOA) will be sent directly to the policy owner's email address on record as a reminder that the Life Insured may avail of the Prevention and Wellness benefit scheduled during the specific policy years, so that he/she in turn can inform the Life Insured.
- The Servicing Advisor will also be copied in the email to the policy owner to ensure available support in case assistance is needed when the Prevention and Wellness benefits is availed of by the Life Insured. In addition, the Servicing Advisor should ensure that the email is always accurate and updated.
- The Life Insured will schedule his / her appointment with the accredited medical facility and bring a printed or electronic copy of the accomplished LOA on appointment schedule. Also, he / she must bring at least one (1) valid government-issued ID with picture (i.e. SSS, Driver's License, NBI Clearance, etc.), or a Company ID with picture and complete name for proper identification.

Doctor Anywhere

Sun Grepa OFW Health Protect – Prevention and Wellness Benefits

Setting Up Your Doctor Anywhere App Account

Send accomplished LOA

Send your accomplished LOA using your email address to Doctor Anywhere: askus.php@doctoranywhere.com.

Welcome E-mail from Doctor Anywhere

Within 48 hours, Doctor Anywhere will send a Welcome E-mail with instructions on how to download and avail the teleconsultation service.

App Sign-up

Once the app is downloaded, sign-up using your email used in sending the LOA and create a password. You will see the consultation with a General Practitioner indicates "Covered by Sun Life Grepa" with seven (7) covered consultations.

One-time patient profile creation

Prior to your first consultation, you must undergo a one-time patient profile creation wherein you need to key your personal details like address, upload a government issued ID with photo, and mobile number.

Things to remember:

1. An email from Sun Life Grepa which includes the LOA for the Prevention and Wellness Benefit, will be given annually starting on the 2nd policy year until the 6th policy year.
2. The Life Insured can choose one (1) of the prevention and wellness benefit option indicated in the LOA.
3. The Teleconsultation benefit can be used up to seven (7) times in a specified policy year.
4. The Teleconsultation benefit can only be availed from Doctor Anywhere.
5. Availment of benefit should be within the policy year when the benefit is available. If not availed as scheduled or within the policy year, this benefit will be forfeited and cannot be accumulated or carried over to the next year or any subsequent benefit availment period.
6. The Prevention and Wellness Benefit should be availed on or before the date indicated in the letter (valid only until "date").

Note: Virtual Private Network (VPN) may be required to access the Doctor Anywhere App depending on the country where the life insured is located. All trademarks/copyrights are the property of their respective owners.

Availing Teleconsultation Service: Doctor Anywhere

Pre-consultation survey

Fill out a quick pre-consultation survey to key in your medical condition which will serve as the reason for the consultation, allergy, medication, and uploading of any medical document. These will help the doctor understand the need of the patient prior to consultation.

→ Doctor Teleconsultation

In the consultation, choose if you wish to see the doctor virtually, speak or chat with the doctor. You may also be asked to upload additional medical documents or switch your camera from front to back.

→ Rate your experience

After the consultation, you may rate your Doctor Anywhere experience by tapping a face icon – sad, neutral, and happy. You may also leave a comment.

→ Wait for your medical documents

Once the doctor is done submitting the medical documents related to the User's consultation, a notification will appear on the User's phone to prompt the availability of the documents within 15 minutes from the time consultation ended.

Reminders:

- The Life Insured may choose between consulting with a General Practitioner immediately within five (5) minutes or schedule an appointment. The Teleconsultation can be accessed twenty-four (24) hours a day, and seven (7) days a week.
- In the Doctor Anywhere app, the Life Insured will see that the consultation with a General Practitioner indicates "Covered by Sun Life Grepa" as it is covered up to seven (7) consultations. Once the covered seven (7) consultations have been used within a policy year, consulting with a General Practitioner is still available for an additional fee.
- Documents found in the Doctor Anywhere app are Medical Certificate, Referral to Specialist, Referral for Labs or Imaging, and Prescription. These documents can be viewed by the Life Insured in the Doctor Anywhere (DA) app and can be sent to the enrolled email address.

Note: Virtual Private Network (VPN) may be required to access the Doctor Anywhere App depending on the country where the life insured is located. All trademarks/copyrights are the property of their respective owners.
