Asst. Corporate Secretary

## Memo to the Board of Directors

Date: 18 March 2026

Re: **Results of the Board Effectiveness Questionnaire**

The Sun Life Grepa Financial, Inc. Board of Directors successfully completed the Board Effectiveness Questionnaire activity, with results as follows:

All Directors AGREED that:

### **A. Board Performance**

- a. Board demonstrates effective governance with proper oversight of strategy, risks, and long-term direction
- b. Board composition (skills, experience, independence, diversity) is appropriate and supports effective decision-making, and
- c. Board culture is constructive, balanced, and free from dominance

### **B. Board Committee Performance**

- a. Committees are properly structured with appropriately skilled members
- b. Committees perform oversight functions effectively with clear and timely Board reporting, and
- c. Committee outputs contribute meaningfully to overall Board effectiveness

### **C. Individual Director Performance**

- a. Directors understand their responsibilities, prepare for and participate effectively in meetings, stay informed of industry / regulatory developments, and
- b. Directors exercise independent judgment, comply with policies, and demonstrate ethical conduct

### **D. Chairman's Performance**

- a. Chairperson provides effective leadership, facilitates cohesive, balanced, and effective Board discussions. She ensures no individual or group dominates and promotes constructive Board culture

### **E. Attendance and Participation**

- a. Directors consistently attend meetings and come prepared with materials reviewed, and
- b. Directors actively participate in discussions and voting with sound judgment

**Additional Comments from the members of the Board:**

- Each Board member actively challenges, questions and gives other suggestions and perspectives to various updates and strategic plans of the company.
- The Chairperson is very knowledgeable in the industry and provides appropriate guidance and effectively challenges Management.
