Market Review

- Global equities were broadly flat in July as investors assessed global economic data against a pullback in AI-related and technology shares. Market performance was mixed across regions, with strength in Europe and Japan offset by weakness in Asia and technology-heavy markets. The MSCI ACWI declined -0.35%. In the U.S., the S&P 500 was essentially unchanged at +0.03%, while Europe advanced +3.22% and Japan gained +0.74%. Asia ex-Japan underperformed, falling -8.93%, reflecting weakness in several AI-linked markets.
